

CREWLINE

OPERATOR SCHEDULE INFORMATION

WHAT IS CREWLINE?

CrewLine empowers Operators with secure automated telephone and web access to their personal operations profile 24 hours a day, 7 days a week.

WHY CREWLINE?

With CrewLine, transit agencies can appreciate the reduction in telephone traffic from Operators during peak dispatch periods and help dispatchers keep your service running on-time without distraction.

CREWLINE BENEFITS

- Reduce Dispatch Telephone Traffic
- Keep Employees Informed
- Empower Operators and Improve Employee Satisfaction
- Improve Operational Efficiency
- Streamline Many Manual Processes
- Easy to Use with Limited Equipment Requirements

ARCHITECTURAL DIFFERENCES

CrewLine easily integrates with any Driver and Operations Management solution to ensure accurate and consistent information is provided to operators.
